ABOUT ACADEMY OF HOSPITAL ADMINISTRATION (AHA)

Academy of Hospital Administration (AHA) is India's first and only autonomous professional organization dedicated to hospital and health systems management. Established in 1987 under the Societies Registration Act at AIIMS New Delhi, AHA has over four decades of expertise in management education, training, consultancy, and research in health systems.

AHA brings together a distinguished panel of hospital management experts, quality management specialists (NABH, NQAS, NABL), bio-medical engineers, health IT professionals, telemedicine practitioners, and public health strategists. AHA serves as a resource and advisory body to the Ministry of Health & Family Welfare and Central and State Governments on all matters relating to hospital planning, policy, and operational management.

"Developing and maintaining quality education, training, consultancy and research in health and hospital systems — to continuously improve the performance of healthcare systems in the country."

PROGRAMME AT A GLANCE

Programme	Advance Nursing Care Administration & Quality Management (NDP)
Batch	NDP-1 21st – 26th September 2026 (Monday To Saturday)
Last Date for Registration	15th September 2026

In Affiliation with	HN Bahuguna Uttarakhand Medical Education University (HNBUMEU), Dehradun

AIM

To sensitize mid-level and senior nursing staff on the latest trends in nursing services administration and quality management of hospitals and health services, and to enable them to take up higher responsibilities in managing quality nursing care.

OBJECTIVES

- Create awareness of the changing and challenging roles of nursing services in providing quality care at optimum cost.
- Equip participants with knowledge and skills in quality management of nursing services.
- Provide a platform for interaction among participants and identify recent trends in specialty nursing.

ELIGIBILITY

Nursing professionals engaged in planning and management of nursing care and nursing services at unit or sub-unit level in any health care institution (Government, Public or Private Sectors). Teaching staff in nursing schools and colleges are also welcome.

COURSE GOALS

- Understand principles, functions, challenges, and opportunities in Nursing Services Management; develop managerial and leadership competencies.
- Gain knowledge of quality management systems, healthcare accreditation standards (NABH / NQAS / ISO), patient safety practices, and clinical governance.
- Learn quality improvement tools and their application in OPD, IPD, Emergency, OT, and ICU services.
- Strengthen understanding of HR management, conflict management, communication skills, and leadership development.
- Examine ethical, legal, and medico-legal aspects related to nursing management, patient documentation, and records.
- Understand the role of Hospital Information Systems (HIS), telemedicine, and digital health initiatives (ABDM) in nursing.
- Develop competencies in supply chain, procurement, inventory, equipment, and cost containment strategies.
- Gain knowledge of Government of India public health programmes, PMJAY-Ayushman Bharat, and healthcare financing.
- Understand nursing services in disaster management, biomedical waste management, and healthcare safety.
- Promote resilience, emotional well-being, teamwork, and professional leadership among nursing professionals.

PROGRAMME OUTLINE

- Role and functions of nursing professionals in management of nursing care and nursing services.
- Management science and technology related to quality management as applicable in nursing services.
- Nursing management needs for specialty areas — Critical Care, Operating Room, Paediatric Nursing, Psychiatric Nursing, Cardiothoracic Care, and more.
- Quality standards applicable in Ward Management, Infection Control, Waste Management, and Stores Management.

TEACHING METHODS

- Lectures and discussions by eminent faculty from hospital management, medical specialists, and nursing college tutors.
- Group discussions, case studies, and group presentations.
- Field visits to an accredited hospital (Optional).

REGISTRATION FEE

₹ 25,000/- per delegate (Residential Charges)

₹ 15,000/-per delegate (Non Residential Charges)

(Inclusive of GST, food facility & study materials)
