About the organisers

InnovatioCuris (IC)

We as InnovatioCuris, work with large scale global healthcare providers and stakeholders through our various services towards our mission to bring down the healthcare delivery cost and improve the quality of care.

IC provides a competitive edge in penetrating markets faster, creating a mutually beneficial relationship with startups and entrepreneurs to ensure new horizons of growth.

IC has created a knowledge platform with webinars, conferences, hackathons, market access programs, training programs, healthcare consultations and e-magazine to connect and disseminate information to innovators around the world.

INDRAPRASTHA INSTITUTE of
INFORMATION TECHNOLOGY DELHI

IIIT Delhi

Indraprastha Institute of Information Technology Delhi (IIIT-Delhi) was created by an act of Delhi legislature empowering it to carry out R&D, conduct educational programs, and grant degrees. The General Council is the apex body of the Institute, chaired by Hon'ble Lt. Governor of Delhi and the Board of Governors is the policy and decision-making body of the Institute. The Senate is empowered to take all academic decisions.

IIIT-Delhi is accelerating on the path of becoming one of the leading comprehensive research-led teaching institutes in India and has proven to be consistently responsive towards the evolving needs of society. The faculty members at IIIT-Delhi are among the finest in the country and are internationally recognized.
